W. H. CAREY SCORES AGAIN. Kings County Handicap, at the same distance. Hall- but they were used in the over-anxiety to land EASY FOR BILLIE HIBBS.

TAKES MILE HANDICAP EASILY, MAK-ING IT THREE IN A ROW.

Dr. Gardner Works Well for the Excelsior-King's Daughter Has a Big Following-Rustle's Woodhaven Stakes.

New York, April 24 .- W. H. Carey won his third successive race and his only starts in the east when he galloped off with the one-mile handicap at Aqueduct this afternon. He carried top weight -123 pounds-and there was some surprise that he was started, as the track was slow and sticky in spots from an all-night rain, and he he has the reputation of a horse that does not like any but a beavy track. Trainer Blute explained it this way: "I have got to work him today aryhow and I might as well get paid for working him as to gallop him for fun,"

The result proved the good judgment of the trainer, for W. H. Carey was not called upon for a stiffer gallop than if he had been working alone, and he earned \$780 for Owner Carman in addition to any wagers that might have been made at 4 to 5 and 9 to 10. W. H. Carey seems like the logical favorite for the Excelsior Handicap Friday, though Dr. Gardner worked this morning in a manner that was satisfatcory to Trainer Weir, and he is sure to be supported with Jack Martin in the saddle.

Dr. Gardner was sent for one mile at Graves end as follows: 12½, 24½, 36¼, 49, 1:02, 1:15¾, 1:291, 1:431, and pulled up the mile and a furlong in 1:58. It was excellent work, the track condition considered. One thing against W. H. Carey in the Excelsion is the short stretch at Jamaica. He does his racing in the stretch, and the long straight run at Aqueduct was just suited If August Belmont starts Okenite instead of Don Diego, as seems probable now, Mountain may have the mount on W. H. Carey, as he cannot do the weight on Okenite, and that will be greatly in his favor.

A new factor for the Excelsior is King's Daugh-She showed so much speed yesterday 126 pounds up that many good judges are willing to take the chance that she will go the route and already have selected her as the winner. Her impost will be 108 pounds, and she will take a lot of beating.

Sweet-Taire won the closing race, completing a double for R. F. Carman, Sweet-Taire was one of the outsiders and just got up to win in the final stride. This race was one of the best betting affairs of the meeting, Senator Beckham, Sepoy, Bigot and Split Second being heavily backed. Split Second might have won, but Pres ton kept her in the deep going and she tired.

While the track was slow the fastest time of the meeting was made in the two-year-old races at four and a half furlongs, each of them being run in 54. The good time is accounted for by a wind which blew down the two-year-old W. H. Carey and Punky were the wincourse. ning choice

L. A. Cella's Rustle won the Woodhaven Stakes with a pull in the weights over her last perfor mane She finished gamely to get the decision

Tomorrow is the closing day of the meeting. and with two stakes set for decision, and horses as Kerry, Gold Foil, Emma Carus; T. S. Martin, Hot Shot, Kernel; Grapple, Molesey, Cam paigner; Heaslip, Workmaid, Athlete; Foxmead. Jacquin, Fustian; Gold Foil, Epocha and Sequence among those likely to go to the post the attendance is likely to be worthy of the best meeting ever given by the Queens County Jockey Club.

T. S. MARTIN IS READY FOR RACING.

Alex Shields' Horses Arrive at Jamaica-Evelyn G. Destroyed-New York Gossip.

New York, April 24 .- William Garth schooled T. S. Martin and St. Kevin together at Belmont Park Monday morning. Both fenced in good style until T. S. Martin took off too far back and landed on an obstacle. He still has his old time speed. mistake was one that any horse might make and was hardly a reflection on his fencing. St. Kevin splendidly for a horse that has had little work of this nature since last fall. Both St. Kevin and Sanctus, which were purchased by Garth for the Rainey stable a month ago, are promising 4-year-old material, though Garth still pins his faith to T. S. Martin as the best 4-year-old jumper in training. If this trio races up to expectations Mr. Rainey's entry into cross country racing should be a successful The three horses represent an outlay of \$20, 500, with another \$3,000 to be paid over when either St. Kevin or Sanctus win, For T. S. Martin \$8,500 cash was paid, while \$12,000 down was paid for two, with a \$3,000 contingency. small stable it is a costly one, but in the hands of an experienced cross country trainer like Garth they should make good.

Alex Shields moved up to Jamaica yesterday from farm at Bound Brook with his stable, including Go Between, Halifax, Onatas, the jumper Herculoid and several others. Go Between has been declared from the Excelsior, but has two other stake engage ments at Jamaica-the Montague Stakes, a weightfor-age race at one mile and a sixteenth, and the has got into trouble through rough riding tactics,

fax has but one engagement at Jamaica. This is the Paumonok Handicap, at six furlongs, to be run next Saturday. It was at Jamaica last spring that showed his great merit as a sprinter by beating Lady Amelia at five and a half furlongs. Superintendent Gorman has been busy beautifying Belmont Park, and there will be several notable improvements in the surroundings when the spring meeting opens. A hedge has been planted along the fence that separates the lawn and the track from the administration building to the field stand, and there has been a general burnishing up. A light dressing of new soil has been put on the course and Mr. Gorman expects it to be faster than ever It appears now that Notasulga, winner of the

Canarsie and the Rose Stakes at the Queens County Jockey Club meeting, is not an eligible for the Futurity. When negotiations were on for her purchase last week, Mr. Brulatour, who is the partner of Albert Hamel in the ownership of the filly, announced that among her engagements was the Futurity.

In the published list of those still elibible Not asulga does not appear, and it is evident that Mr Brulatour was mistaken in that engagement at least. He expressed surprise yesterday that the filly was not an eligible, either under her own name or her dam, Touch Not, and said that he had understod positively that the Futurity was an her engagements when he purchased her at New

He said that he would communicate with Wal ter O. Parmer, the breeder of the filly, in the hope of straightening out the matter. In the unless there was an omission in meantime, list published in the current issue of the Racing Calendar, there is little hope for the filly going to the post in that rich race should she be of quality next August.

Evelyn G., H. T. Griffin's Don De Oro-May Droit filly, which fell with Englander Saturday, was seriously injured that it was necessary to destroy She was shot last Saturday night, when it was seen that there was no chance to bring her safely through her injuries. M. L. Hayman has secured second call on Notter, pending the recovery

Jack McGinnis went down to have a look at his horses yesterday morning, and before trainer Smith was through with him he had done some training on account. Smith was shy stable help, or pretended he was, just when his employer was about the stable, and he detailed McGinnis to lead Buttling.

After McGinnis had patiently plodded around the barn for exactly seven minutes he rebelled. how long do you think I'm going to lead this horse?" he asked petulantly.

"Why, you've just begun," answered Smith, cheerfully. "You have been walking him exactly seven minutes."

"Seven minutes. It seems like seven hours. Say, you never mind training me. Just train the horses. And McGinnis turned Buttling over to a rubber.

Albert Songer, who has ridden with a fair amount of success on the flat and through the field, was at Aqueduct yesterday. He said that he would shortly leave for Toronto, where he intended riding at th Woodbine meeting, and that he would later ride at Montreal. He rode at Montreal during the hunt meeting given over the new course last fall and spoke enthusiastically of the new plant. Songer will probably take a horse with him for the Canadian circuit, and was yesterday negotiating for jumper.

HOLTMAN AT ALL KENTUCKY TRACKS.

Starter Returns from California and Closes Arrangements-Talks About the Jockeys.

Cincinnati, O., April 24.-Jake Holtman will do all the starting at the Kentucky tracks this spring. He will begin at Lexington next Saturday; go Louisville May 6, and come to Latonia June 10, Holtman arrived here from San Francisco yesterday and completed the arrangements which will Holtman explained require his time until July 13. why the selection of a starter for Latonia had been anging fire up to the present time. "Mr. Dwyer and myself made no contracts last summer excepting the agreement to do the start ing for the northern circuit. We soon learned that an extension of the Oakland meeting under consideration. Mr. Williams wanted either of us to stick to the finish, and Dick Dwyer will stay there until June 11, when he must come east to fill his engagement at Windsor, which will open June 15. Who will do the work at Oakland up to June 22 I don't know. understood before we went west that we would be back on this circuit again, but how it was to be fixed was left to be straightened out later, and now it is.

Speaking of the racing in California, Mr. Holtman said: "It is the greatest season racing has man said: ever had in that section. I left Oakland last Friday, and there were thirty-six books, not count ing the three field books, and it was the one hundred and thirty-second day of the meeting. That answers everything. The racing itself has been excellent, and a lot of horses away above average have taken part in it. The way W. H. Carey disposed of Glorifier, the winner of the Carter Handicap, gives a good line on the sort of horses that were in the handicaps out there.

"There were a lot of good riders out there. Of course, Miller was at the top of the heap. He is a great rider, as far as riders go these days. They are nearly all infants. Miller is a revelation in one respect. He is the most gentlemanly little chap one would want to meet. He has no bad habits, and always knows his place. Why, he has never been fined by a starter.

a winner

"As it is, I don't think much of the jockey of the present day. He is of mushroom growth. The big majority have no idea of pace. It's just a case of get away and go as far as you can and as fast as you can. There are no Isaac Murphys riding nowadays. The boys these days are lucky seconds of the time to work a horse within ten they are told to do it in, while in days gone by if they were a second out of the way they were liable to be handled a bit roughly. I think L. Williams was the best boy as far as judging pace and nursing a horse along was concerned, Bill Knapp showed he knew a thing or two himself by winning the four-mile stake twice with the same and by a nose each time.

"It is really astonishing what these infant jeckeys can do. What they do with the starter I well know. What they do with the people's money sometimes is also bad. It's a funny money sometimes is also bad. It's a funny proposition to see a staid business man, one who would not invest a dime in any business enter prise without looking into it most carefully, put big bet down, and the fate of his investment all depends on what a thirteen-year-old boy will do. "Just about the time these mushroom jockeys get some knowledge of horsemanship they lose their place on account of increasing weight, they are not missed, for there are always a few

prodigies ready. "How long Miller will last I can't say, but it won't be very long, for he has to battle now to make weight."

WALTER MILLER PROVES HIS VALUE.

President Williams' \$8,000 Colt Scores a Most Impressive Victory at Oakland.

Oakland, Cal., April 24.-Walter Miller, the big brown Watercress—Lulette colt that Thomas H. Williams purchased for \$8,000 to represent him in the Gebhard Handicap and in which he was badly beaten, redeemed himself in today's introductory race for juveniles in a manner so convincing that horsemen at once proclaimed him one of the best mes of his age that the present meeting has presented. Mr. Williams has two cracks, Firestone and Walter Miller, which will be campaigned in New York during the coming season and are expected to hold their own. The California Jockey Club's president was not present to witness the youngster's victory. He is due to arrive from the east tomorrow. Creston and Butwell were a losing combination in the first. The De Arman colt was heavily backed at evens and finished a bad last.

This was the beginning of the slaughter of the favorites. The first four went down to defeat in succession and then Bedford and Cabin came along in the closing couple of races to relieve the sion. Bedford won his race after crowding the two leaders, Earl Rogers and Princess Titania. double claims of foul lodged by Lycurgus and Sandy against the winner were not allowed. The stewards, however, fined J. Hunter one hundred dollars and spended him a week for rough riding.

Today's card was interesting and attractive. The weather was ideal and the usual big crowd was in attendance. Jockey Sandy continues to improve in his saddle work and after his skillfully achieved victory on George P. McNear in the handicap at a mile and a sixteenth the crowd cheered him enthu-

siastically. Jack Keene shipped Mansard, Red Leaf, Wuerz burger, Baboo and Raconteur to New York last

night with C. E. Durnell's horse W. G. Yanke has purchased Hugh McGowan from Dr. Rowell for \$1,200.

Only an average card is offered for tomorrow afternoon, but the entries class well together, and with such horses as Gin Hee, Husky, Kismet, Jr. Otto Price, Galvestonian, Louise Fitzgibbon; Silver Sue, Confessor, Governor Orman; Cloverland, Invader, Salable; Cadichon, Sun Mark, Talamund; Tayora, Oratorian and Elevation likely to go to the post the sport of the day should prove entertaining. H. Forsland.

DR. GARDNER'S DEFEAT.

"When the race was over Sullivan, Johnson, Farrell and others who had lost big wagers seemed in s says the New York Sun by way of comtrance, nent on the defeat of Dr. Gardner at Aqueduct last "They could give no explanation of the Monday. colt's defeat except to say that the race was run very fast and that Athlete had a big pull in the weights. Other critics declared that Dr. Gardner was perhaps a bit short and that he needed a couple of races to make him absolutely fit. Some persons said that his victory on Friday was not so after all, as he beat practically nothing and was not exactly ready even then.

"It was also asserted that the colt might be a late horse in that his best performances last year did not come until the season was well advanced. But whatever was the real cause for his defeat the fact remains that his stable connections bet on him heavily and were staggered at his defeat. Taking Monday's race as a criterion, it must be said that Dr. Gardner will have to improve a great deal to the Excelsior from such a well seasoned horse as W. H. Carey and others that will go after the big prize. The belief that Dr. Gardner will be one of the great horses of the year got a hard jolt, but it may turn out that the son of Bannockburn will yet demonstrate his real worth."

LAZARUS HORSES TO GO EAST.

Memphis, Tenn., April 24 .- Sam Lazarus, the Texas breeder, saw his two-year-olds by Macy work at Montgomery Park this morning and gave trainer Strings instructions to ship them to New York next week.

DAVID DUNLOP'S LITTLE SWAYBACK WINS CLABAUGH MEMORIAL CUP.

Merry Man Finishes Second and Jubilee Is Unplaced-Defeat of Ormonde's Right Causes Considerable Comment.

Baltimore, Md., April 24.-The Virginians carried off the honors at Pimlico today, running first with Billie Hibbs and second with Merry Man in the Ciabaugh Memorial Cup, the feature event of the day. Billie Hibbs is trained by William Garth and Merry Man by Woods Garth, his brother. Merry Man was entered also in the second race and Woods Garth wanted to run in that race rather than take a chance for place money in the stake, but Billy said: "No, let's both go for the stake." The race was a common gallof for Billie Hibbs, which took the lead soon after the start and held it to the end. Glorious Betsy showed a fine turn of speed but was outgamed in the stretch by Merry Man. The disappointment of the race was Jubilee. He showed no great speed at any part of the race. The Littlefield colt evidently did not like the going. A fine piece of plate goes to the breeder of the winner and Arthur Hancock of Virginia was the lucky man this year. Billie Hibbs seems to be the best two-year-old thus far shown in this section. He has no important stake engagements, however, and Mr. Garth said today that he would probably let up on him until fall.

The card this afternoon was rather ordinary, the steeplechase being perhaps the best attraction after the Clabaugh. Kara won this race from end to end. On form Kara appeared a 1 to 3 shot, but as good as even could be had about the horse and many of the wise ones were afraid of it. The last race caused some unfavorable comment. Only three started, Ivanhoe, Ormonde's Right and Belle of Jessamine, At the weights the handicappers figured there was nothing to it but Ormonde's Right, and he was made a 1 to 3 favorite. Ivanhoe was 6 to 1, but just at post time his price was cut down to 5 to 1, and there was betting on him all around the ring. monde's Right had to be whipped away from the post and was off several lengths in the rear. the backstretch he got to running, passed Belle of Jessamine, and went after Ivanhoe, which had been sailing out in front. On the stretch turn it appeared like "a walk" for Ormonde's Right, but at once he sulked and refused to run, leaving Ivanhoe to come on and win. Ormonde's Right was ridden by J. Johnson, Tom Mannix's jockey, while Diggins was on Ivanhoe, trained by Mannix, a fact which caused much comment.

J. W. Colt has sent to Aqueduct for his good jumper Dulcian, and will run him in the steeple chase Saturday. T. F. Coles will have charge of Colt's horses here.

With a stake race and a steeplechase as central attractions and such horses as De Burgo, Patrician, John Lee; Prince Brutus, Revenue, Black Burn; El Cave Adsum, Tudor; Guardian, Navajo, Pete Dailey; Muck Rake, Grafton, Ida Reck; Can-Yellowback, and Golden Wave among the entries the program for tomorrow holds out promise of continued good racing. J. H. Anderson.

JOHN M. P. IS ON THE OCEAN.

The steeplechasers John M. P. and Desert Chief, belonging to Grant Hugh Browne, owner of the Brownleigh Park Stable, were shipped from England last Saturday and are due at New York next Monday. This is their third trip across the ocean, Mr. Browne having brought them over last spring and sent them back last fall. John M. P. made four starts here last year, winning the Inaugural Stakes and the Great Autumn Stakes at Sheepshead Bay. Desert Chief was unplaced in each of his three starts. Both horses have been in constant training in England since last fall and John M. P. won the March Handicap over hurdles at Lingfield, March 15. John M. P. has been named for the International Steeplechase Handicap, June 3, and the Grand National, June 5, at Belmont Park, and Mr. Browne has taken a subscription to the Whitney Memorial, which will be run at Belmont Park, May 30.

VELOCITY WINS CITY AND SUBURBAN.

London, April 24 .- The City and Suburban Handicap, \$10,000, for three-year-olds and upward, about one mile and a quarter was run at Epsom today and was won by the Irish horse Velocity, three lengths in front of Mr. Lionel Robinson's Larino, Colonel Kincaid Smith's Succour third. Mr. J. B. Joel's Dean Swift, winner of the City and Suburban last year and favorite for the race today, was one of the ten horses unplaced, as was Mr. C. S. Newton's Slavetrader, which was ridden by Danny Maher.

Velocity is a five-year-old bay horse by Speed, out of Ballast, and is owned by Mrs. H. V. Jackson, for whom he has won, including the prize of today, over \$30,000 in his career on the turf. Last year won six races, among them the Doncaster Cup; year before two races, one of them the Camthe year before bridgeshire Handicap, and as a two-year-old he won one race at Leopardstown in Ireland, where he was bred by J. W. Corcorau.

Winner—Br. c, by Solitaire II.—Sweet Cakes (trained by J. Blute).

Went to post at 4:55. At post 1 minute. Start good. Won driving; second and third the same. Sweet-taire began slowly and trailed for three eighths, then closed up much ground, came fast in the last exteenth and just got up in time under a good ride. Sepoy ran a good race, setting the pace all the ray and was unlucky to lose. Split Second was always well up and ran a game race. Bigot showed speed but tired a bit at the end. Senator Beckham broke slowly and ran a very bad race.

Overweights—Bigot, 1 pound; Thermidor, 5.
